*The Wildlife Techniques
Manual* Nova J. Silvy
2012-03 A standard text
in a variety of courses,
the Techniques Manual,
as it is commonly
called, covers every
aspect of modern
wildlife management and
provides practical

information for applying the hundreds of methods described in its pages. To effectively incorporate the explosion of new information in the wildlife profession, this latest edition is logically organized into a two-volume set: Volume 1 is devoted to research techniques and Volume 2 focuses on management methodologies.

Hollywood Stunt Performers,

1910s to 1970s Gene Scott Freese 2014-04-24 This biographical dictionary shines the spotlight on several hundred unheralded stunt performers who created some of the cinema's greatest action scenes without credit or recognition. The time period covered encompasses the silent comedy days of Buster Keaton and Harold Lloyd, the early westerns of Tom Mix and John Wayne, the swashbucklers of Douglas Fairbanks, Errol

Flynn, and Burt Lancaster, the costume epics of Charlton Heston and Kirk Douglas, and the action films of Steve McQueen, Clint Eastwood, and Charles Bronson. Without stuntmen and women working behind the scenes the films of these action superstars would not have been as successful. Now fantastic athletes and leading stunt creators such as Yakima Canutt, Richard Talmadge, Harvey Parry, Allen Pomeroy, Dave Sharpe, Jock Mahoney, Chuck Roberson, Polly Burson, Bob Morgan, Loren Janes, Dean Smith, Hal Needham, Martha Crawford, Ronnie Rondell, Terry Leonard, and Bob Minor are given their proper due. Each entry covers the performer's athletic background, military service, actors doubled, noteworthy stunts, and a rundown of his or her

best known screen credits.
