Cantrell 1987 Current relations between the

United States and the countries of Latin America

and the Caribbean encourage a more cooperative

exchange of ideas. To provide the necessary

information on grants, scholarships, and other

forms of individual monetary support, this new

directory outlines all the facts on approximately

350 funding sources. Each entry features a

detailed program description along with eligibility

or limitations that apply to specific programs. Also

included is important fiscal information that

reveals any special conditions or situations, such

as required matching funds, and a list of projects

previously funded by the sponsor of subjects

relevant to Latin America and the Caribbean. For

the scholar, researcher or student, travel in Latin

America or the Caribbean area can add great

dimension to a particular area of study. The first

step is this directory.

Electronic and Computer Industry Guide to Chemical Safety and Environmental Compliance

Richard P. Pohanish 1998-09-10 Outstanding single-source coverage of chemical health and safety for the electronic and computer industry

The chemicals used in the electronic and computer field are among the most lethal and carcinogenic of any industry. With the rapid growth of this sector worldwide, a ready source of vital information on these substances and their effects on both humans and the environment is essential. This book brings together detailed health, safety, and environmental data on over 350 chemicals commonly used in electronic and computer manufacturing, including: * Synonyms (foreign and English), trade names, and international identification numbers (CAS, DOT, EEC, EINECS, RTECS) * Physical properties,

chemical incompatibilities, and tolerance levels *
Emergency, first aid, and safety procedures *
Environmental legislation and compliance * A
directory of critical resources This book is an
indispensable, time-saving reference for
environmental managers, safety officers, industry
regulators . . . anyone with a stake in workplace
health and safety issues of the electronic and
computer sector..
