the tired ten year
wedding gifts which
symbolized our
disappointment. Walking
for milk to lace our tea
I passed another scene
of change. in a front
room behind a bay she
stood alone
contemplating a vacancy.
Her parents and her kids
standing at the door,
the cases lined like
gravestones in the hall.
When it came, the day I
left that place,

gift of nature, bestowed
upon certain lands once
and for all. Thus, soil
fertility, instead of
being treated as an
exogenous or even
unchangeable 'initial
condition' of the
analysis, takes its
place as a variable,
closely associated with
changes in population

density and related
changes in agricultural
methods.
