Apéritif Rebekah Pepler 2018-10-16 JAMES BEARD AWARD FINALIST • NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD NETWORK Grab a light drink and a bite, and enjoy cocktail hour, the French way. For the French, the fleeting interlude between a long workday and the evening meal to come is not meant to be hectic or crazed. Instead, that time is a much needed chance to pause, take a breath, and reset with light drinks and snacks. Whether it's a quick affair before dashing out the door to your favorite Parisian bistro or a lead-up to a more lavish party, *Apéritif* is about kicking off the night, rousing the appetite, and doing so with the carefree spirit of connection and conviviality. *Apéritif* celebrates that easygoing lifestyle with simple yet stylish recipes for both classic and modern French apéritif-style cocktails, along with French-inspired bites and hors d'oeuvres. Keeping true to the apéritif tradition, you'll find cocktail recipes that use lighter, low-alcohol spirits, fortified wines, and bitter liqueurs. The impressive drinks have influences from both Old World and New, but are always low fuss and served barely embellished—an easy feat to pull off for the relaxed host at home. *Apéritif* also offers recipes for equally breezy bites, such as Radishes with Poppy Butter, Gougères, Ratatouille Dip, and Buckwheat-Sel Gris Crackers. For evenings that are all about ease and approachability without sacrificing style or flavor, *Apéritif* makes drinking and entertaining at home as effortless, fun, and effervescent as the offerings themselves Praise for *Apéritif*

“With a dram of humor, Ms. Pepler provides a primer with the history and uses of various apéritifs.”—The New York Times, “19 Best Cookbooks of Fall 2018” “With witty and honest prose and stunning photography, this book is one to keep out on the coffee table (or bar cart).”—Food & Wine, “Best Cocktail Books of Fall 2018” “Step aside, Italian aperitivo. This book moves over into the equally stylish and luxurious territory of the French cocktail hour, providing recipes for classic and contemporary before-dinner French cocktails, along with light bites.”—Epicurious

French Cuisine Recipe Book Angel Burns

2019-08-02 French cooking is famous for its
sauces and its history. It dates back to the
beginning of chef cooking. The word "chef"
originated as a French word. It's accepted
without debate that the French know how to
cook. They could well be the leaders in cuisine in
the western world. The French have successfully
paired their food to good wine. They just seem to
dominate the discussion whenever food is raised.
This book is a compilation of the more practical
dishes available from the French heritage. This
is a heritage you should work toward. There are
'how-to' lessons and recipes enclosed. Take a
copy and start today.

Biographical Index of the Middle Ages /

Biographischer Index des Mittelalters / Index

Biographique du Moyen-Âge 2008-01-01 The
index to the Biographical Archive of the Middle
Ages makes accessible about 130,000

biographical articles from nearly 200 volumes.

The entries contain short biographical
information on approx. 95,000 persons from
Europe and the Middle East who shaped the
cultural development and the religious life
during one thousand years.

**The Official History of Britain and the
European Community** Stephen Wall

2012-06-27 This is the second volume in The
Official History of Britain and the European
Community, and describes the events from 1963
up until the British referendum on the Common
Market in 1975. In 1963, General de Gaulle
dashed Prime Minister Macmillan's hopes of
taking Britain into the European Community (the
Common Market). When Labour Prime Minister
Harold Wilson tried again, de Gaulle again said
'no'. Six years later, Prime Minister Edward
Heath took Britain into the EEC. But by then the
country was split and Harold Wilson, to keep the
Labour Party from voting to leave, undertook to
renegotiate Britain's membership. When Labour
won the 1974 election that renegotiation
culminated in the first nationwide referendum
ever held in the United Kingdom. The British
people voted by two to one to stay in the
European Community, but British membership
has been controversial ever since. This is the
story of why three very different Prime Ministers
all concluded that, in the British national
interest, there was no viable alternative to
joining the Common Market. In the words and
documents of the time (those of politicians,
diplomats and journalists from Britain, France
and Germany) it relives the frustrations,
successes and humiliations of British politicians
as they wrestled with the most important issue
of their generation. It shows, with the authority
of the Government papers of the day, where and
why today's European controversy started and
why yesterday's challenges, and the way they
were confronted, hold valid lessons for our time.
This book will be of much interest to students of
British political history, European Union politics,
Diplomatic History and International Relations
in general.

The French Recipe Cookbook Carole Clements

1995-01-01 An introduction to the culinary
traditions of France, from traditional favourites
and regional specialities to a number of

contemporary creations. Around 200 recipes are presented in step-by-step format, and all are accompanied by hints and tips throughout.

Recipe and Craft Guide to France Amelia LaRoche 2010-12-23 France attracts more tourists than any other country in the world. Step inside this colorful book to learn why people love it so much. Then make French-inspired crafts you can keep or give as gifts, and cook some delicious French food for your friends and family. Make a paper stained-glass window for your room, and find out why the real stained-glass windows in one of the world's greatest

cathedrals were taken apart piece by piece.

Build a model château, and learn where the rich people made their homes in France. Paint an animal like the ones found in an ancient cave called Lascaux. Then impress everyone by whipping up some dessert crepes or a basket of crispy French fries. As you craft and cook your way through France with the projects and recipes in this book, you'll come to love this wonderful country, too. Vive la France!

BBQ recepten voor op een kamado Julius Jaspers 2021-05-17 In dit boek staan meer dan 100 BBQ-recepten voor op een kamado. Een kamado is een keramische BBQ met deksel. Hierdoor werkt het als een oven en kun je er de temperatuur perfect mee regelen. Een kamado is geschikt voor slowcooking en om te grillen, bakken en stomen. Julius neemt je aan de hand en leert je alle technieken en de lekkerste gerechten maken!

Military in Politics and Society in France & Germany in the 20th Century Klaus-Jürgen Müller 1995-05-12 This book presents the views of a number of distinguished German military historians on the problems of civil-military relations in Germany and France in the period from the Franco-Prussian War to the French occupation of Germany after 1945. It compares the origins, recruitment and political attitudes of the respective countries' officer corps and considers the impact of defeat on both of them - in the French case after 1940, and in the German case after 1918. The authors discuss the role of the French and German navies in politics and the impact of the military on foreign policy in both nations during the period between the two world wars.

The Reform Advocate 1909

The Wordsworth Dictionary of Drink Ned Halley 2005 What is a slack-ma-girdle? Or a submarino? How did White Horse whisky get its name? Or Old Bawdy barley wine? How do you make a really dry martini? Or beer? Or champagne? The answers to these enquiries and thousands of others are revealed in this unique guide to every kind of alcohol, compiled by dedicated drinker and collector of little histories, Ned Halley, who is an award-winning writer on beer, a nationally syndicated wine columnist and author of numerous books on drink. In a straightforward A to Z format, 'The Wordsworth Dictionary of

Drink' identifies thousands of individual brewers, distillers and winemakers, as well as the names of their products. The dictionary aims to be of real, practical help in locating beers and ciders, wines and spirits of every hue to their maker and place of origin. Here, too, are descriptive terms used on labels, along with the less-formal words used by producers and purveyors to promote their products in the market place. Origins, from village breweries to entire wine-producing regions, are located by nation, province and district. In many cases, there is a mention of when a producer or product was established, perhaps a word about the founder or a brief explanation of a curious-sounding brand name. The book is laced with historical anecdotes, a thousand cocktail recipes, essays on topics from the Guinness dynasty to the principles of brewing, from the discovery of distilling to the history of excise duty - and illustrated with hundreds of drink labels from all around the world.

Als kok in Frankrijk Bart Van Loo 2010-08-19
Sinds mensenheugenis laven Franse schrijvers zich aan het zintuiglijke genot dat gepaard gaat

met koken. Als kok in Frankrijk brengt de beste culinaire fantasieën en gerechten samen. Geeft het oeuvre van François-René de Chateaubriand het geheim van de ideale steak prijs? Hoe bereidde Alexandre Dumas olifantspoot? Waarom zijn de preisoep van Marguerite Duras en de omelet van Honoré de Balzac zo bijzonder? Naast vele smakelijke verhalen bevat dit onweerstaanbare boek tal van handige recepten voor elke gelegenheid. Zin om je gasten te verbazen met gargantueske eieren? Wil je de hele Proust lezen op een dieet van zelfgemaakte madeleines? Vis serveren voor honderden genodigden? Je kunt naar hartenlust grasduinen in recepten en culinaire wijsheden van Rabelais, Montaigne, Molière, Rousseau, Baudelaire, Balzac, Zola, Queneau, Simenon en vele anderen. In deze uitgebreide editie van **Als kok in Frankrijk** grasduint Bart Van Loo in eeuwenoude Franse kookboeken, serveert hij talloze nieuwe verhalen en verrassende vondsten, en bereikt hij het summum van eten en lezen.

Schäfer-Recipes Hans J. Schäfer 2010-05-28

Simple and complicated cooking recipes, simply written for successful results also for someone without a lot of cooking experience. Showing many Swiss recipes with the wines or other drinks mentioned that go with the meal, and a lot of international dishes.
