**Military in Politics and Society in  
France & Germany in the 20th Century**  
Klaus-Jürgen Müller 1995-05-12 This

book presents the views of a number of distinguished German military historians on the problems of civil-military relations in Germany and France in the period from the Franco-Prussian War to the French occupation of Germany after 1945. It compares the origins, recruitment and political attitudes of the respective countries' officer corps and considers the impact of defeat on both of them - in the French case after 1940, and in the German case after 1918. The authors discuss the role of the French and German navies in politics and the impact of the military on foreign policy in both nations during the period between the two world wars.

*The Life of Napoleon the Great (Napoleon Bonaparte), Emperor of the French* Walter Scott 1887

The Official History of Britain and the European Community Stephen Wall 2012-06-27 This is the second volume in The Official History of Britain and the European Community, and describes the events from 1963 up until the British referendum on the Common Market in 1975. In 1963,

General de Gaulle dashed Prime Minister Macmillan's hopes of taking Britain into the European Community (the Common Market). When Labour Prime Minister Harold Wilson tried again, de Gaulle again said 'no'. Six years later, Prime Minister Edward Heath took Britain into the EEC. But by then the country was split and Harold Wilson, to keep the Labour Party from voting to leave, undertook to renegotiate Britain's membership. When Labour won the 1974 election that renegotiation culminated in the first nationwide referendum ever held in the United Kingdom. The British people voted by two to one to stay in the European Community, but British membership has been controversial ever since. This is the story of why three very different Prime Ministers all concluded that, in the British

national interest, there was no viable alternative to joining the Common Market. In the words and documents of the time (those of politicians, diplomats and journalists from Britain, France and Germany) it relives the frustrations, successes and humiliations of British politicians as they wrestled with the most important issue of their generation. It shows, with the authority of the Government papers of the day, where and why today's European controversy started and why yesterday's challenges, and the way they were confronted, hold valid lessons for our time. This book will be of much interest to students of British political history, European Union politics, Diplomatic History and International Relations in general.

Reiskookboek Frankrijk Onno H. Kleyn  
2013-02-20 Lekker, gemakkelijk en snel koken: dat is wat we op vakantie willen. En genieten van al die heerlijke Franse lekkernijen die we op de lokale markt en in de hypermarchés zien. *Biographical Index of the Middle Ages / Biographischer Index des Mittelalters / Index Biographique du*

*Moyen-Âge* 2008-01-01 The index to the Biographical Archive of the Middle Ages makes accessible about 130,000 biographical articles from nearly 200 volumes. The entries contain short biographical information on approx. 95,000 persons from Europe and the Middle East who shaped the cultural development and the religious life during one thousand years.

**Apéritif** Rebekah Pepler 2018-10-16 JAMES BEARD AWARD FINALIST • NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD NETWORK Grab a light drink and a bite, and enjoy cocktail hour, the French way. For the French, the fleeting interlude between a long workday and the evening meal to come is not meant to be hectic or crazed. Instead, that time is a much needed chance to pause, take a breath, and reset with light drinks and snacks.

Whether it's a quick affair before dashing out the door to your favorite Parisian bistro or a lead-up to a more lavish party, Apéritif is about kicking off the night, rousing the appetite, and doing so with the carefree spirit of connection and conviviality. Apéritif celebrates that easygoing lifestyle with simple yet stylish recipes for both classic and modern French apéritif-style cocktails, along with French-inspired bites and hors d'oeuvres. Keeping true to the apéritif tradition, you'll find cocktail recipes that use lighter, low-alcohol spirits, fortified wines, and bitter liqueurs. The impressive drinks have influences from both Old World and New, but are always low fuss and served barely embellished—an easy feat to pull off for the relaxed host at home.

Apéritif also offers recipes for equally breezy bites, such as Radishes with Poppy Butter, Gougères, Ratatouille Dip, and Buckwheat-Sel Gris Crackers. For evenings that are all about ease and approachability without sacrificing style or flavor, Apéritif makes drinking and entertaining at home as effortless, fun, and effervescent as the offerings themselves Praise for Apéritif “With a dram of humor, Ms. Pepler provides a primer with the history and uses of various apéritifs.”—The New York Times, “19 Best Cookbooks of Fall 2018” “With witty and honest prose and stunning photography, this book is one to keep out on the coffee table (or bar cart).”—Food & Wine, “Best Cocktail Books of Fall 2018” “Step aside, Italian aperitivo. This book moves

over into the equally stylish and luxurious territory of the French cocktail hour, providing recipes for classic and contemporary before-dinner French cocktails, along with light bites.”—Epicurious

**Als kok in Frankrijk** Bart Van Loo  
2010-08-19 Sinds mensenheugenis laven Franse schrijvers zich aan het zintuiglijke genot dat gepaard gaat met koken. Als kok in Frankrijk brengt de beste culinaire fantasieën en gerechten samen. Geeft het oeuvre van François-René de Chateaubriand het geheim van de ideale steak prijs? Hoe bereidde Alexandre Dumas olifantspoot? Waarom zijn de preisoep van Marguerite Duras en de omelet van Honoré de Balzac zo bijzonder? Naast vele smakelijke verhalen bevat dit onweerstaanbare boek tal van handige recepten voor elke gelegenheid. Zin om je gasten te verbazen met gargantueske eieren? Wil je de hele Proust lezen op een dieet van zelfgemaakte madeleines? Vis serveren voor honderden genodigden? Je kunt

naar hartenlust grasduinen in recepten en culinaire wijsheden van Rabelais, Montaigne, Molière, Rousseau, Baudelaire, Balzac, Zola, Queneau, Simenon en vele anderen. In deze uitgebreide editie van Als kok in Frankrijk grasduint Bart Van Loo in eeuwenoude Franse kookboeken, serveert hij talloze nieuwe verhalen en verrassende vondsten, en bereikt hij het summum van eten en lezen.  
*BBQ recepten voor op een kamado*  
Julius Jaspers 2021-05-17 In dit boek staan meer dan 100 BBQ-recepten voor op een kamado. Een kamado is een keramische BBQ met deksel. Hierdoor werkt het als een oven en kun je er de temperatuur perfect mee regelen. Een kamado is geschikt voor slowcooking en om te grillen, bakken en stomen. Julius neemt je aan de hand en leert je alle technieken en

de lekkerste gerechten maken!

*French Cuisine Recipe Book* Angel Burns 2019-08-02 French cooking is famous for its sauces and its history. It dates back to the beginning of chef cooking. The word "chef" originated as a French word. It's accepted without debate that the French know how to cook. They could well be the leaders in cuisine in the western world. The French have successfully paired their food to good wine. They just seem to dominate the discussion whenever food is raised. This book is a compilation of

the more practical dishes available from the French heritage. This is a heritage you should work toward. There are 'how-to' lessons and recipes enclosed. Take a copy and start today.

Aan tafel in Frankrijk Georgeanne Brennan 2000

The North-China Herald and Supreme Court and Consular Gazette 1912

**Recipe and Craft Guide to France**

Amelia LaRoche 2010-12-23 France attracts more tourists than any other country in the world. Step inside this colorful book to learn why people love it so much. Then make French-inspired crafts you can keep or give as gifts, and cook some delicious French food for your friends and family. Make a paper stained-glass window for your room, and find out why the real stained-

glass windows in one of the world's greatest cathedrals were taken apart piece by piece. Build a model château, and learn where the rich people made their homes in France. Paint an animal like the ones found in an ancient cave called Lascaux. Then impress everyone by whipping up some dessert crepes or a basket of crispy French fries. As you craft and cook your way through France with the projects and recipes in this book, you'll come to love this wonderful country, too. Vive la France!

### **The Wordsworth Dictionary of Drink**

Ned Halley 2005 What is a slack-ma-girdle? Or a submarino? How did White Horse whisky get its name? Or Old Bawdy barley wine? How do you make a really dry martini? Or beer? Or champagne? The answers to these enquiries and thousands of others are

revealed in this unique guide to every kind of alcohol, compiled by dedicated drinker and collector of little histories, Ned Halley, who is an award-winning writer on beer, a nationally syndicated wine columnist and author of numerous books on drink. In a straightforward A to Z format, 'The Wordsworth Dictionary of Drink' identifies thousands of individual brewers, distillers and winemakers, as well as the names of their products. The dictionary aims to be of real, practical help in locating beers and ciders, wines and spirits of every hue to their maker and place of origin. Here, too, are descriptive terms used on labels, along with the less-formal words used by producers and purveyors to promote their products in the market place. Origins, from village breweries to

entire wine-producing regions, are located by nation, province and district. In many cases, there is a mention of when a producer or product was established, perhaps a word about the founder or a brief explanation of a curious-sounding brand name. The book is laced with historical anecdotes, a thousand cocktail recipes, essays on topics from the Guinness dynasty to the principles of brewing, from the discovery of distilling to the history of excise duty - and illustrated with hundreds of drink labels from all around the world.

Dictionnaire de droit canonique, et de pratique bénéficiaire, conféré avec

les maximes et la jurisprudence de France, c'est-à-dire, avec les usages & libertés de l'église Gallicane, les pragmatiques & concordats, les ordonnances, Edits & déclarations de nos Rois... & la pratique des officialités. Le tout mis dans un ordre qui donne une connoissance exacte des canons de discipline, des usages de la cour de Rome, des pays d'Obéissance & des pays libres,... dans le droit canonique, les biens & la police extérieure de l'Eglise. Par M. Durand De Maillane, Avocat au parlement d'Aix. Troisième édition, revue, corrigée & augmentée par l'auteur Pierre-Toussaint Durand de Maillane 1776
